BICYCLE MAP FACTS

■ Map Purpose

To rate the suitability of existing U.S., state, and county roads for bicycling.

■ Other Features

Longer rural trails indicated on each map.

Full-color photos.

Recreational and historic site information.

Food, lodging and bike shop symbols next to each city, town, and place offering these services.

■ Who These Maps Are For

Bicyclists of average or above experience comfortable bicycling on roads and highways.

Map is NOT a guide for child bicyclists.

■ What's Next...

Remaining regions of the state will be available early 1997.
